

Code of Conduct:

1. NEVER leave the campsite without an Officer knowing.
2. Do not go into the cook house. There are hot pans in there and you may be injured.
3. Keep quiet after lights out!!
4. Keep away from the out-of-bound areas—you will be told where these are when we arrive.
5. Everyone is expected to perform cheerfully such duties as may be required of them.
6. Mobiles are to be used in emergencies only. There is a phone on site.

We will all enjoy the camp together if we follow these guidelines!
